

Garden of Friendships

Shared by Amy Celona, www.ustamp4fun.com

Sets: Bodacious Blossom, Office Accoutrements, Genuine Article

Accessories: Celery cardstock (8 1/2 x 11 "landscape" scored to 3 1/2, 3 3/4, 7 1/4, 7 1/2, turn it "portrait" and score the bottom 1 inch), Basic Black ink & cardstock, Whisper White cardstock, So Saffron ink and cardstock, Brocade Blue ink, Regals brads, 1 1/16th inch hole punch, Celery grosgrain, black gingham, rectangle punch, Class Brass "Bodacious" stencil & Empressor Stylus.

1. Fold the green cardstock on the folds and hold the front panel facing you.
2. Place the brass stencil on top of the FRONT panel and position the large flower in the top left corner, turn OVER the paper and emboss through the back. Only do the opposite corners (that won't be covered with the focal image).
3. The calendar and tab detail is pre-stamped, cut & punch these out
4. "Spiral" Punch the "memo" rectangle (pre-stamped) as shown and stamp the other detail (as shown in the sample)
5. On the large white rectangle, stamp two bold flowers in blue and six leaves (3 large, 3 small), cut out
6. On the white panel stamp the flowers exactly as shown (stamped in opposite corners to accommodate the focal flowers (which you cut out in Step 5). Adhere that to the black panel, tie a ribbon around and adhere to the front of the tri-fold.
7. Adhere all the parts as shown for the inside left cover and stamp the pre-printed recipe for Friendship as shown, and adhere to the center panel
8. Bring the bottom right flap up, punch the rectangle as shown and tie a ribbon to hold it up
9. Add the seed packets
