**Sets/Stamps:** Autumn Harvest, Sidekick Sayings (Level 1 Hostess Set), Flannel Plaid Background Stamp

**Accessories List:** More Mustard ink and paper, Old Olive Ink and paper, Corner Rounders, Watercolor Crayons, Aquapainters, Stick Glue, White Mulberry Paper, Olive 5/8 inch grosgrain ribbon, black gingham ribbon, coasters

1. Lay the 'Flannel Plaid' background stamp face up and ink with More Mustard pad. Lay the 4x4 Mustard square onto it to transfer the ink. Punch all four corners with the corner rounder punch
2. Take the 4x3 inch vanilla rectangle and stamp the pumpkins and gourds as shown using 'masking technique' (see Fig. left)
3. Use the watercolor crayons to draw lines of color on the stamped images. Use Aquapainter to gently move the color leaving white spaces as highlights
4. Cut the top edge above the pumpkin and leaves and 'round' the corners of the bottom with the 'corner rounder' punch.
5. Adhere the white mulberry behind the pumpkins then adhere that layered pumpkin image to the Mustard plaid panel (you made in Step 1).

'Masking 101' – Masks are made from Post-It Notes, stamp image and cover with post it of actual size (stamped and cut). Stamp overlapping the first image and when mask is taken off, the first images stamped will appear to be 'front'.

## Vanilla Cardstock

- 4 x 3 for cover
- 3 1/2 x 7 for inside fold over 'book'

## Mustard Cardstock

- 4x4 for cover
- 2 1/2 x 3 1/4 for small bookmark

**Mulberry strip** 4 x 1 1/2

**Olive wide grosgrain**, 25"

**Black Gingham** 2"

6. Generously apply glue stick to coaster cover and adhere the mustard panel to completely cover the coaster
7. Take the large Olive cardstock and fold at the score. (Note: panel is 4 3/4 x 12, scored at 3 1/2, 7 & 10 1/2 (with a 1 1/2 inch panel left over) and then scored horizontally at 3 1/2 for the 'pocket') lines.
8. Adhere the ribbon to the back of the first pocket panel and then adhere that to the inside of the front decorated coaster.
9. Adhere the short 'end' panel to the left edge of the other coaster as shown and adhere the extra 3 1/2 x square piece of Olive to cover it. You will take the 6 x 3 inch vanilla cardstock and fold to make a book, stamp as shown and adhere it to that last panel
10. Make a tag with the 2 1/2 x 3 1/4 inch mustard piece, as shown and by punching the corners (tag corner punch) and adhere the black gingham ribbon with a staple.

## Project Measurements

### Olive Cardstock

- 4 3/4 x 12 inches
  - scored horizontally at 3 1/2 inches (for fold up pocket)
  - scored vertically at 3 1/2, 7, 10 1/2
- 3 1/2 x 3 1/2 square (for last panel to cover the 1 1/2 inch piece left over)
